CONDITIONS OF ISSUE

It is a condition of issue of a dairy processor's accreditation that the applicant agrees:

1. to abide by Standard 4.2.4 of the Food Standards Code,
2. to abide by the Export Control (Milk and Milk Products) Orders 2005 if classed as an export registered dairy establishment,
3. to successfully meet audit requirements as determined by Dairysafe,
4. to periodically supply to Dairysafe such statistical information as may be required,
5. to ensure an end product testing program is implemented as per the Microbiological Testing Criteria located at www.dairy-safe.com.au
6. to advise Dairysafe in writing should any/all accredittee/s cease processing,
7. to ensure that only accredited dairy farmers supply your establishment and that they comply with Standard 4.2.4 of the Food Standards Code,
8. to ensure all accredited dairy farmers supplying the processor are tested for milk quality
9. to notify Dairysafe of the detection of human pathogenic organisms or if inhibitory substances exceed the MRL within 48 hours after the initial indication of the result. Written details of such incidents must be provided within five working days,
10. to have your milk and liquid milk products transported by an accredited dairy transport business,
11. to notify Dairysafe prior to making any significant changes to your food safety arrangement, management, personnel, premises, fixtures, fittings and equipment including heat treatment,

In addition, it is a condition of issue of a dairy processor's accreditation that, where involved in transporting milk from South Australia to another state or territory for processing, the applicant complies with the following:

12. the processing premises to which the milk is transported must be, and remain, accredited as such by the relevant state or territory dairy authority (or equivalent body),
13. the processor must advise Dairysafe within 24 hours of:
 - a) any action taken by any state or territory dairy authority (or equivalent body) to suspend, cancel, revoke or vary its interstate processor's accreditation or any other accreditation relating to milk or dairy products,
 - b) any action taken by any state or territory dairy authority (or equivalent body) to prosecute it or any of its officers or employees for breach of dairy legislation or codes,
 - c) any decision to terminate or change the nature or location of its processing business or premises.

PRIVACY STATEMENT

Dairysafe collects personal information relating to accredited producers in order to fulfil its requirements under the Primary Produce (Food Safety Schemes) Act 2004 and the Primary Produce (Food Safety Schemes) (Dairy Industry) Regulations 2017.

The information will be received by those who compile or maintain those records and will be accessible only for a purpose for which those records are kept or by those who have a legal right to access it. You have a right to access any information that is collected from you regarding your application for accreditation under the Primary Produce (Food Safety Schemes) Act 2004. If you wish to access that information please contact Dairysafe.

DECLARATION

I / WE declare the foregoing particulars are true and correct in every detail and have read the Food Standards Code located <https://www.legislation.gov.au/Details/F2017C00335> and agree to the above conditions relating to issue of accreditation.

We acknowledge that an application fee of \$100 is payable on receipt of invoice (which will be issued by Dairysafe once application has been received).
